

Courses in Department of Fine Arts, Kankaanpää 2012-2013

A Personal program will be arranged for students coming to study at the Department of Fine Arts. The program will be arranged for each student individually according to the skills and previous art studies of the student. Even though the courses are normally held in Finnish, they are suitable and adaptable for students with basic English skills.

Fine Arts in Kankaanpää offers professional studies from painting, graphics, sculpture and calligraphy. Students may also choose alternative professional studies in learning agreements. There courses are for example Video Art, Photography, Snow Sculpture, Performance, Community Art and Cinema Club.

Please contact the International Office at the Unit of Fine Arts in Kankaanpää for further information on the courses offered in the Department of Fine arts.
