How to make an electricity contract without a social security number

Step 1: Prepare necessary information

- **Full name**
- **Date of birth**
- **Address**
- **Invoicing address (if different where you want your contract to be made)**
- **Contact information (email/phone number)**
- **What kind of contract you want to make with us**
- **Starting date**

Step 2: Make a call

At the moment, making a contract without social security number is only possible by calling to Oomi customer service number
