## Activity Services 4 cr

**(D180011-3002) ONLINE COURSE**

**Are you interested in recreational tourism? Would you like to experience what studying tourism in SAMK is all about? Join now and complete the course by the end of November 2020 at your own pace - starting from January 2020!**

### DESCRIPTION

This is a course designed for 1<sup>st</sup> year tourism students, but is suitable also for upper secondary education students. On this course, students will understand the assimilation of different recreational services in tourism and understand factors in activity service execution. Students will also gain the familiarity of duties in activity services.

Topics on this course include wellness and health tourism, culture tourism, sport tourism, nature tourism, food and culinary tourism, adventure tourism, quality & law, safety & security, environment issues in activity services as well as guide and guidance.

Classification of competence: Basic level

### IMPLEMENTATION

This is an 100% online course where we use e-learning environment called Moodle. All the materials, tasks and guidance is available in Moodle.

You can enroll to the course from 7<sup>th</sup> of January 2020 until 31<sup>st</sup> of October 2020. The portfolio assignment must be returned by 30<sup>th</sup> of November 2020 the latest.

There are 10 topics available, each consisting materials for reading, videos, activities and assignments. There are two mandatory topics and four that student can choose freely. Thus, in the end student will do 6 out 10 topics. Students can choose in which order they will study the topics.

→

Once the student has finished the assignments on six topics, they will all be returned in one document as a portfolio. More details are available in Moodle.

#### ACCREDITATION OF THE COURSE IN YOUR FUTURE STUDIES

After completing this course, you will get a certificate of the course. If you decide to apply to study in a UAS as a degree student, you can include this course in your elective studies. If you will study tourism in SAMK as a degree student, these credits will be part of your curriculum.

#### OPEN STUDIES: PARTICIPATION FEE AND ENROLLMENT

As an upper secondary education student, you will join this course as an open UAS student for free of charge. Normally participation fees of Open UAS are 10 euros per credit.
