

SAMK Summer School

Logistics and Maritime Management Experience in Finland

August 2022 | Rauma, Finland

SAMK Summer School offers a sneak peek of multidisciplinary education in Finland and at SAMK. Students will also have a perfect chance to experience the beautiful Finnish summer.

Students can practise their spoken English and get-to-know the Logistics and Maritime Technology faculty at SAMK. Students will learn the basics of Supply Chain Management and Real Game. Real Game is a training concept based on a unique, real-time operated business simulation game. The training develops key competences needed in efficient Supply Chain Management. Students will also get to experience the latest maritime simulator technology and life-saving practice.

SAMK SUMMER SCHOOL PRICING

€750 / one week per person. The course fee includes: tuition, study facilities, lunches at campus on weekdays, one evening activity, and certificate. Accommodation, other meals than lunch, insurance, visa, and travelling expenses to

and from Finland are not included in the fee. Extra free time activities and trips will be organized for an additional cost.
