

Download student mobile app Tuudo

We are using [Tuudo mobile app](#) at SAMK. Tuudo is free of charge and safe to use. It makes your student life easier!

When you sign in once, Tuudo will remember you and you will find your important information and services quickly and easily. Tuudo reminds you with push notifications about your schedules and important messages.

In Tuudo you can e.g:

- familiarize with the new student's orientation material (no SAMK ID needed!)
- enrol for studies
- check your completed studies
- check your personal timetable
- use library services
- view our campus maps
- check the menus of campus restaurants
- read news on different topics (Oiva intranet, SAMK web pages, events, CampusMowe)
- search for staff contact information and services of SAMK
- give course feedback

Start using Tuudo:

1. Download Tuudo from your app store (Google Play, AppStore, AppGallery)
2. Open the app and choose Satakunta University of Applied Sciences
3. Choose "New student" and proceed (no SAMK ID needed)
4. Log in using your SAMK ID (student number and password)
5. Please note that you can use SAMK Tuudo only in English or Finnish

If you have technical problems with Tuudo, send an email to esamk.support@samk.fi or info@tuudo.fi and you'll get help.
