

Finnish Cottage Feeling and Magic of Forests

Guided Daytrip to Parkano on Sat 21st May 2022 /On request

SAMK EduTravel warmly welcomes you to a once-in-a-lifetime trip to the Lauhanvuori-Hämeenkanngas UNESCO Global Geopark in small town of Parkano where we get to know local Forest Museum, and experience the Finnish cottage lifestyle in a cottage named SyVilla by the shore of a Kovesjärvi Lake. After this trip, you'll have a decent knowledge of the forest's history & activities related to it, and cottage lifestyle traditions in Finland.

The day will include interesting stories and facts about the history of the local Forest Museum and geological Geopark destination of Lauhanvuori-Hämeenkanngas, as well as memorable wellbeing exercises at the magical views in the forest. Local Forest Museum visit ends in a campfire experience provided with traditional Finnish campfire snacks.

After a fun day in the local Forest Museum area, we will arrive at cottage SyVilla, where you can try Finnish outdoor games. In the evening, the unforgettable day will end with kayaking and SUP-boarding followed by relaxing sauna & hot-tub experiences among your new international friends!

All our services will be provided in English. Come join the fun!
